One of the recent improvements  
which is to be noticed in Ladies

These bells are all connected to one

the proper person presses the but-  
ton which rings the bells in all of  
the dining rooms. Thus every one  
begins dining at the same time and  
all get out at the same time.

run of the year was staged under  
the management of the gymnasium  
authorities. The course was from  
Main street to the Fair Ground and  
back. Several men took part and  
the finish was more dramatic than  
pleasurable. Two of the runners

was only one of a series of runs  
which are to be held while the

miles out Scaffold Cane pike. The

## MILLINERY

With An Attractive Appearance

There is nothing so important to a  
woman's attire as a becoming hat. It  
is not necessary to spend a great sum  
to acquire a satisfactory style. The  
whole trick is in the "knowing how"  
of the millinery dealer. We can fit a  
hat to your particular needs which  
will not alone set off your gown in a  
satisfactory manner, but you will  
have a satisfied feeling about you that  
you are wearing a hat that is pleasing  
to yourself and to those about.
